

# Outdoor Education Field Trips

Camp Fletcher's Outdoor Education program is an experiential learning opportunity for students to learn about our natural environment first-hand, beyond the confines of classroom walls. One Day field-trip adventures, on weekdays during the school-year, are offered to students in K-7 grade in public, private and home schools.

Our curriculum has been specifically designed around Camp Fletcher's indigenous trees, plants and wildlife — as well as the property's creek and other natural resources.

**ALL ACTIVITIES CAN BE TAILORED TO MEET THE SPECIFIC NEEDS OF YOUR STUDENTS, GRADE LEVEL AND COMMON CORE STANDARDS REQUIRED BY THE ALABAMA STATE DEPARTMENT OF EDUCATION (SEE PAGE 2).**

*Lesson Topics include:*

**Fantastic Filtration. Edible Aquifer. Living Vs. Non-Living. Water Cycle Necklace. Nature Hike. Mud Painting. Scats & Tracks. Forest Floor. Seed Balls/Seed Pots. Critter Hotel. And More!**

Program lessons are interactive, because student participation enhances academic outcomes and youth development. Field trips often include hikes, science activities, history presentations and arts & crafts — all designed to foster students' comfort in, and appreciation of, their natural surroundings and the rewards of working together.
